CHRISTMAS LIGHTS & POLAR NIGHTS

MOSCOW – MURMANSK – ST PETERSBURG

DECEMBER 23, 2013 – JANUARY 2, 2014

CHRISTMAS EVE IN MOSCOW AND NEW YEAR'S EVE IN ST PETERSBURG

Red Square, Moscow

Our tour takes in Uspensky Cathedral, built between the twelfth and fifteenth centuries. It is considered one of the most important and beautiful of Russian cathedrals, where many of the prominent Russian Tsars were crowned.

From Vladimir we travel to Suzdal, one of Russia's most perfectly preserved walled cities dating back to 1024 located 35 kilometres from Vladimir. Here we visit the atmospheric St Euthymius Monastery to witness an enchanting choral performance by the resident monks. No Russian winter experience would be complete either without a horse-drawn sleigh ride through this stunning location.

We celebrate Christmas on board at our signature Gala Caviar Dinner in the beautifully designed restaurant car and enjoy after dinner drinks and musical entertainment for a Christmas you won't forget.

DAY 4 VELIKIY USTYUG

BOXING DAY

We travel to Velikiy Ustyug, the once important and beautiful Golden Ring town on the bank of the Sukhona River. Here we will visit the official residence of Ded Moroz (Father Frost) and experience the excitement of the Russian children visiting this traditional Santa Claus character.

DAY 1 MOSCOW

December 23rd

Flight arrivals into Moscow and transfer to the centrally located five-star Marriott Royal Aurora Hotel (or similar), for a one-night stay. Why not extend your stay with additional nights to explore more of the city at your leisure and enjoy the Russian Christmas festivities or go skating on the open air ice rink at the Red Square.

This evening we enjoy a welcome reception dinner at our hotel and meet our fellow travellers.

DAY 2 MOSCOW

CHRISTMAS EVE

Our touring programme of Moscow principally takes us to the grandeur of the Kremlin - the spiritual, historical and political heart of Moscow and to see the treasures of the Tsars in the Armoury Chamber. We also visit the Red Square,

an iconic symbol of Russia's former military and political might with its eclectic mix of fascinating architecture, such as the ornate St Basil's Cathedral's magnificent onion-domed spires, the beautiful façade of the world famous GUM Department store, constructed in Tsarist times, and the sombre and evocative site of Lenin's tomb. With our Freedom of Choice touring option you may instead wish to visit the famous State Tretyakov Gallery (National Museum of Fine Art).

This afternoon we board Russia's premier train, the *Golden Eagle* and settle into our modern, stylish cabins to embark upon our rail adventure to the Arctic Circle.

DAY 3 VLADIMIR AND SUZDAL

CHRISTMAS DAY

The historic city of Vladimir was founded in 990 and is one of Russia's oldest communities. With an architectural wealth, it has been decreed a UNESCO World Heritage Site.

DAY 5 ARKHANGEL & NORTHERN LIGHTS

December 27th

We spend the day touring Arkhangel, a town located on the banks of the White Sea that was the chief seaport of medieval Russia. The importance of Arkhangelsk as a center for trade, especially with Western Europe, reached its heyday in the late 1700s.

As the gate to the Arctic, Arkhangelsk also became the starting point for many polar expeditions and during World War II, Arkhangelsk along with Murmansk became the key supply port, bringing much needed foreign equipment & food supplies to the Russian army. British and American Arctic Convoy War Graves can still be seen in Arkhangel.

The Museum of Wooden Architecture 'Malye Korely', located amidst the hills in one of the most picturesque places on the outskirts of Arkhangelsk has over a hundred unique samples of ancient wooden architecture and is the largest open-air museum of its kind in Europe. The set up portrays a typical Russian village of the past with churches, bell towers, barns, wind and water mills collected from different parts of the Russian North. Houses built only with axes during the 18th and 19th centuries still stand today. You are welcomed according to the Old Russian tradition with bread and salt, and welcome songs.

Tonight and tomorrow night we go in search of nature's most spectacular light show – the Northern Lights. This magical experience could be one of the highlights of our journey.

DAY 6 MURMANSK & NORTHERN LIGHTS

December 28th

Today we cross into the Arctic and we mark the occasion with a glass of champagne. We will continue to Murmansk, a city halfway between Moscow and the North Pole, and 120 miles north of the Arctic Circle. As the main city of the Kola Peninsula, it started as a tiny settlement

and Arctic trading post. In 1916, under pressure from the British to establish a support port, Murmansk was founded. Thanks to a current of the Gulf Stream, the port is ice-free year-round.

Homeport of Russia's nuclear-powered icebreakers we'll visit the Nuclear Icebreaker Museum Ship. We'll also stop at the Museum of Regional Studies which houses exhibits on areas such as the tundra zone, the Barents Sea, Lapps, the development of icebreakers, and Murmansk's role during World War II. Time permitting we'll also visit Murmansk Oceanarium. This is the only aqua complex in Europe where Arctic seals are trained and studied.

"Polar Night" lasts all of December and most of January, and during this period the sun doesn't rise, but there are several hours of twilight.

Tonight we have another chance to go in search of the Northern Lights. For the best viewing conditions the sky needs to be clear and you need to be away from artificial light. Our guest astronomer will be on hand to advise us during star-gazing and will bring the night sky to life with his extensive knowledge.

DAY 7 ONBOARD

December 29th

Today we have the opportunity to unwind and reflect on the many sights and sounds we have experienced or are about to experience on our rail journey so far. Maybe listen to a talk on Russian history or simply relax and enjoy the ever-changing landscape outside your window as we head towards St.Petersburg.

Our guest astronomer will host a drinks reception and afternoon of discussions about the Northern Lights in our stylish bar car.

DAY 8 ST PETERSBURG

December 30th

We continue to the Imperial City of St Petersburg and on arrival have a tour of the beautiful Imperial Waiting Room at Vitebski Station. We transfer from the rail station to the luxurious Grand Hotel Europe (or similar), where we stay for the remaining three nights.

Today there is a tour of St Petersburg featuring a visit of the key sights including St Isaac's Cathedral, Nevsky Prospect and the Hermitage Museum, the former Palace of the Tsars which houses the royal art collection of over three million works. It is one of the world's largest and most impressive art museums.

Make your evening in St Petersburg extra special by purchasing a ticket for a ballet or opera performance at the world-renowned Marinsky Theatre (subject to schedule and availability and pre-booked six weeks prior).

DAY 9 ST PETERSBURG

NEW YEARS EVE

St Petersburg is a stunning city, crowded with splendid palaces, impressive historical monuments, wide boulevards, beautiful bridges and is renowned as the Ballet Capital of the World.

St Petersburg is beautifully decorated for Rozdestvo (Russian Christmas) celebrated on the 7th January. You can enjoy the lively atmosphere of the city streets with concerts and entertainment. You'll have time to enjoy the busy Christmas markets or go ice skating on one of the outdoor rinks in the central squares.

Tonight we will celebrate New Year's Eve with a special gala dinner.

St Petersburg

DAY 10 ST PETERSBURG

NEW YEARS DAY

Breakfast in the hotel and enjoy free time to explore more of the city at your leisure, or join our guided city tour in the afternoon. Lunch and dinner are by your own arrangement.

DAY 11 ST PETERSBURG

January 2nd

Breakfast in the hotel brings the tour to a close and airport transfers are provided for your departure flights.

CHRISTMAS LIGHTS & POLAR NIGHTS

ST PETERSBURG - MURMANSK - MOSCOW

DECEMBER 28, 2013 - JANUARY 6, 2014
NEW YEAR'S DAY IN THE ARCTIC

Hermitage Museum, St Petersburg

DAY 1 ST PETERSBURG

December 28th

Flight arrivals into St Petersburg and transfer to the luxurious Grand Hotel Europe (or similar), for a two-night stay. This evening we enjoy a welcome reception dinner and meet our fellow travellers.

Why not extend your stay in St Petersburg with pre-tour nights to explore more of the city at your leisure?

DAY 2 ST PETERSBURG

December 29th

St Petersburg is a stunning city, crowded with splendid palaces, impressive historical monuments, wide boulevards, beautiful bridges and is renowned as the Ballet Capital of the World.

St Petersburg is beautifully decorated for Rozdestvo (Russian Christmas), which is

celebrated on the 7th January. You can enjoy the lively atmosphere of the city streets with concerts and entertainment. You'll have free time to enjoy the busy Christmas markets or go ice skating on one of the outdoor rinks in the central squares.

Make your evening in St Petersburg extra special by purchasing a ticket for a ballet or opera performance at the world-renowned Marinsky Theatre, subject to schedule and availability and pre-booked six weeks prior.

DAY 3 ST PETERSBURG

December 30th

Today there is a tour of St Petersburg featuring a visit of the key sights including St Isaac's Cathedral, Nevsky Prospect and the Hermitage Museum, the former Palace of the Tsars which houses the royal art collection of over three million works. It is one of the world's largest and most impressive art museums.

We then transfer to the Imperial Waiting Room at St Petersburg's Vitebski Station to board Russia's Premier train, the *Golden Eagle* and settle into our modern, stylish cabins to embark upon our rail adventure to the Arctic Circle.

DAY 4 ONBOARD

NEW YEARS EVE

Today we have the opportunity to unwind and reflect on the many sights and sounds we have experienced or are about to experience on our rail journey so far. Maybe listen to a talk on Russian history or simply relax and enjoy the ever-changing landscape outside your window as we head towards Murmansk.

GUEST SPEAKER ANNOUNCEMENT

**Ian Ridpath of
the Royal
Astronomical Society**

Ian Ridpath will be our on-board guest speaker on both Winter 2013 tours. Ian previously worked at the University of London Observatory and has been a full-time writer, broadcaster, and lecturer on astronomy and space since 1972. He's a Fellow of the Royal Astronomical Society (Council member 2004-07) and editor of the Oxford Dictionary of Astronomy.

Our guest astronomer will host a drinks reception and afternoon of discussions about the Northern Lights in our stylish bar car.

We celebrate New Year's Eve on board at our signature Gala Caviar Dinner in the beautifully designed restaurant car and enjoy after dinner drinks and musical entertainment for a New Year's Eve in the arctic you won't forget.

DAY 5 MURMANSK & NORTHERN LIGHTS

NEW YEARS DAY

Today we cross into the Arctic and we mark the occasion with a glass of champagne. We will continue to Murmansk, a city halfway between Moscow and the North Pole, and 120 miles north of the Arctic Circle. As the main city of the Kola Peninsula, it started as a tiny settlement and Arctic trading post. In 1916, under pressure from the British to establish a support port, Murmansk was founded. Thanks to a current of the Gulf Stream, the port is ice-free year-round.

Homeport of Russia's nuclear-powered icebreakers we'll visit to the Nuclear Icebreaker Museum Ship.
